Do the Demons Know Your Name?

Acts 19:11-18

Demonic influence was such a problem in Paul's day that charlatans and fakes made a living posing as itinerant exorcists. The seven sons of Sceva heard something they thought they could use; the name of Jesus. They didn't know Jesus; they only heard that Paul was preaching him and that people were being delivered from demonic oppression and possession. What they didn't know is that the name of Jesus is not something to be used; it's a lifestyle.

It ought to be the objective every born-again believer to be on a first name basis with the demons. Do the demons know your name or could it be that you've never come to their attention?

In Christ,
Pastor Steve

A BIG THANK YOU!!

I would just like to say a huge THANK YOU to everyone that helped with Vacation Bible School. Whether you helped with props, fixed meals for the teachers, sound crew, crew leader, security, none of it went unnoticed. I appreciate all the help, big or small, to always ensure we have a successful VBS and this year was no exception. Our numbers were lower than normal but the kids still managed to raise \$465 for the week to add to the Flood Relief fund to help hurricane victims.

Thank you!
Lindsey

Shoebox Ministry update- Christmas in July!!

It's not too early to start thinking about packing boxes. I have ordered some boxes already for this year and will be available soon. Contact myself or a team member if you would like to start packing early. We will plan to kick off this year's packing in July and have some updates along the way.

As you know, most of our boxes went to Madagascar this past year. Operation Christmas Child posted a sweet testimony from a boy there that received a box that I would like to share: **Little Prayer Warrior in Madagascar!** Finoana was overjoyed when he attended an outreach event where he received a gift-filled shoebox, and the greatest gift of all, Jesus Christ! Finoana grew in his faith through The Greatest Journey discipleship program and was eager to share what he was learning. He gathered friends and family around his house, teaching them everything he had learned from his lessons! At just nine years old, he felt the Lord calling him to start a prayer ministry, so he did just that. Finoana now goes door to door asking how he can pray for those in his community! Using the journal he received in his shoebox gift, he writes each prayer request down and commits his time to pray over them. This is a reminder of the impact one box can have.

Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age. Matthew 28:19-20

Much love,
Regina
