Raising Awareness of the Sanctity of Human Life

On January 22, 1984, President Ronald Reagan issued a presidential proclamation designating the third Sunday of January (or close to that) as National Sanctity of Human Life Day.

One of the best ways we can protect unborn lives is by bringing into the light the darkness of abortion, and supporting local Pregnancy Help Organizations who daily reach women and families with messages of hope and life.

*The Lord called me from the womb,
from the body of my mother he named my name.
